Celebration!

This year's theme is
PLANET 50/50 BY 2030:

Think Equal, Build Smart, Innovate for Change

Since the early 1900s, International Women's Day has been observed annually on March 8 to inspire women and celebrate their achievements. In Colorado Springs, we observe International Women's Day (IWD) annually on the first Saturday in March. On this day, we take time to celebrate the power of women ~ our achievements, impacts, and commitment to gender equality. This year's event highlights the achievements we have made and continue to make to advance women's status at home and around the globe!

Meet Our Speakers:

•Keynote Speaker Lisa Mae Brunson,
Author, Innovator and Founder of Wonder Women Tech

•Dr. Taylor Nygaard,
Author, Screenwriter and Professor of Gender and Media
Studies

•Amanda Metcalfe,
Professor of Behavioral Science and Leadership at the United
States Air Force Academy

Meet our Emcee:
