International Women's Day

The rising of the women is the rising of us all.

Together, Let's Celebrate Women's Achievements!

**Please join us for the 10th Annual
International Women's Day Celebration!**

**This year's theme is:
I Am Generation Equality:
Realizing Women's Rights**

Date: Saturday, March 6, 2021
Time: 10:00 - 11:30 AM
Virtually via Zoom

Since the early 1900s, International Women's Day has been observed annually on March 8 to inspire women and celebrate their achievements.

Here in Colorado Springs, we observe International Women's Day (IWD) annually on the first Saturday in March. On this day, we take time to celebrate the power of women ~ our achievements, impacts, and commitment to gender equality. This year's event highlights the achievements we have made and continue to make to advance women's status at home and around the globe!

Visit our website at www.iwd-coloradosprings.org
for all the details and to purchase your tickets now!

\$15 - Early bird gift through January 15

Once registered, expect a few email reminders in the days leading up to March 6, as well as the all-important ZOOM LINK you'll need to connect to the IWD celebration!

Happy New Year!

I hope this newsletter finds you happy and healthy.

Although this past year has been difficult for so very many, Pikes Peak Zontians and Zontians around the planet did their best to continue supporting and advocating for women and girls in our communities, including hosting on-line meetings and presentations, and running fundraisers for our scholarships and programs. Into the New Year, we'll continue to meet via Zoom, and we invite you to join us each month for an uplifting conversation and gifted speakers, including our first program of the year, January 7, when we'll celebrate our own Amelia Earhart with a speaker representing women in aviation, and on February 4, with a program on women in STEM (science, technology, engineering, and math), and, in collaboration with seven other women's organizations, at our annual International Women's Day celebration the first Saturday in March! Registration for IWD is already open at www.iwd-coloradosprings.org!

In addition, we anticipate holding more presentations through our new #ZWIC (Zonta Women in Careers) program, for which we were honored at the District 12 Governor's Seminar in the fall. This new program continues to grow, as several of our members formed panels to discuss our careers this past year for Partners in Housing, for the KPWE scholars at UCCS, and also at an Adelante Mujer meeting for Latina teenage girls. In addition, our STEM committee has

launched a multi-month "Sisters in Science" program on Zoom, featuring two siblings who both went into a STEM field. Our first of two fall programs was held in collaboration with the Colorado Springs Science Festival, and we'll continue the series into the New Year.

I invite you to stay connected with us through our webpages and Facebook pages, and to join us! Dues are half-price the first four months of the year, and our members would be delighted to chat with you about membership or joining our Friends of Zonta group! Thank you so much in advance for your past support and interest, and for accompanying us throughout the months ahead.

Let us ring in the New Year in the Zonta spirit!
#ZontaEmpowers

Liz Groothof Croddy
